false pretenses. The American Was Third. Pants, Oct. 14 .- The final heat in the picycle race for the Prix du Ville de Paris was ridden Sunday, and was gree murder for the killing of Francisco Paris was ridden Sunday, and was won by Morin, a Frenchman. Banker, and sentenced him to die. the American rider, was third.

TWENTY VOLCANOES

to the Aleut Chain in a State of Eruptic SAN FRANCISCO, Oct. 15.-The rev. Will Cu-Operate With Local Author enue cutter Commodore Perry has returned from the Northern sea, where she has been confronted each night for weeks by a gigantic line of fire. As the President of the Florida Club Notified Capt. Smith expresses it, "The devil's by the Governor of His Determination to Present the Mill-He Also stokers have been stirring up the sub-terranean sea of flames that is supposed to lie thousands of feet under the Behring's bed and as a consequence fully twenty of the forty volcanos in the Aleut chain are now active."

one, for the commission by its investigation found that it would be more feasible and cheaper in the end to take a different course than that pursued by the company's engineers. Speaking about the work of the harbor at Greytown, the report will say that all that is done so far is as good as nearly sold in the first in the ingread of an analysis, in the says of a sandy soil, as soon as the escavations have been made the sand has washed into them again and rendered the work almost hill. Maj. Ludiow in his report states most distinctly that the commission recommend that the government should assume financial that the government should assume financial to the more subject to the boat and one had managed to the same as the proposed that the same can be seen in both directly that the commission recommend that the government should assume financial that the commission recommend that the government should assume financial that the commission recommend that the government should assume financial that the commission recommend that the government should assume financial that the commission recommend that the government should assume financial that the commission recommend that the government should assume financial that the commission recommend that the government should be sh chief recommendations in the report, oar. TEMPLE OPERA HOUSE

of Debuth Damaged by Fire to the Amount DTLUTH, Minn., Oct. 14 .- At 13:15 day morning, an hour after the enement of Daniel Sully's company been concluded, there was an exon in the basement of the Temple a house, one of the finest theaters northwest. In a few minutes bole interior was a seething mass mes which shot a hundred feet the roof as soon as they obtained tlet. In half an hour the rear ill fell. The building was part of Masonie Temple, but a wall sepa-

ted them. beautiful rooms of the Scottish onsistory, which were in the uppart of the theater portion, were stroyed, together with the valuable cords and library. The insurance the double building was \$110,000, and its value was \$200,000. The burned portion was valued at \$90,000. But three walls are left. It was a wonder that other portions and a whole square of wooden buildings were not destroyed. The origin of the fire is un-

known. In the Interest of Eiliott's Release. COLUMBUS, O., Oct. 14.-A. J. Grieve, attorney for W. J. Elliott, who has aplied for a pardon, received a letter from Patrick Egan, ex-minister to Chili, saying that he would be in Columbus Monday and would personally do what he could to secure Elliott's re lease. He has petitions ta Elliott's

favor containing over 7,000 names.

Blew a Hole Through His Body. STANTON, Ky , Oct. 14.—Duke Wilson was shot and instantly killed at his home on Care Creek, about ten miles from here, by I evi Anderson, a middle aged man. Anderson had bought a shotgun at Stanton and stopped at Wilson's place to show it to him. Out of fun Wilson began to guy Anderson about his purchase, telling him he had got the hot end of it, as the gun was out of style. Anderson became very angry, and jerking the weapon from Wilson's hands, pulled back the trig-gers and emptied both loads into the oung man's back and side, tearing a

Spanish Vessel Captured by the Rebels. MADRID, Oct. 14.-A dispatch from Havana to the Imparcial, says that a band of insurgents recently captured the Vale Mercante, a small Spanish dispatch boat, that was moored near antiago de Cuba. The vessel carried only one cannon, which together with he small arms and ammunition on board, was seized by the rebels. The essel was commanded by a lieutenant and had a crew of twelve men, none f whom was made a prisoner. The has experienced for many months ebels left after securing what they Police Superintendent Colbert says the canted, making no attempt to hold law shall continue to be enforced.
